

Becovska 1015/10, Praha 10, UHřineves, 104 00 Czech Republic

Description

The property comprises two buildings providing purpose built modern chilled and frozen warehousing with ancillary office space on a site of around 14,400 sq m. The premises were constructed in 1996/97 and comprise a steel structure. Vehicular access to the site is to the east from Becovská Street. Upon entering the site the frozen warehouse is located to the left offering accommodation at around -20 degrees (south) and the chilled warehouse to the right offering ambient accommodation at +5 degrees (north).

Location

The premises are located at UHřineves in Prague 10 some 20km east of the City Centre. In a well established industrial area on the eastern side of Prague, stretching from Vysocany south along Prumyslová to Šterboholy, Dolní Mecholupy to UHřineves and Řícany, nearby uses include warehousing and industrial facilities with family housing and more recently retail warehousing. The property is situated at 1015/10 Becovska Street. Upon completion the R1 ring road will be easily accessible and exits are planned approximately 4km from the facility.
